

BRETBY PARISH COUNCIL
MINUTES OF THE ANNUAL MEETING OF THE PARISH MEETING
HELD WEDNESDAY 13th MAY 2015 AT 7.00PM
IN THE WRAGG ROOM, ST WYSTANS, BRETBY

Present: Cllr M Falder (Chairman),

In Attendance: Mrs J Storer – Clerk
3 People in attendance

1. Chairman's report for 2014/15

Cllr Falder reported that there is still the ongoing matter of the problems with the drains on Bretby Lane. Frustration was expressed over the matter together with the lack of any Authority who will accept responsibility of ownership and who will tackle the problem.

The siting of the new noticeboard is progressing via the legal route with DCC and hopes were expressed that the noticeboard will be in situ shortly.

The extension of the speed limit along Bretby Lane, to past Newton Lane remains a priority for the Parish Council, particularly after the serious accident about 12 months ago, when the air ambulance was required.

The Clean Team were congratulated for their quick responses to reported incidents of rubbish and fly tipping, but unfortunately, within a matter of days, these areas become littered again.

The Chairman concluded by thanking the outgoing Councillors and Clerk for their hard work and contributions to the Parish Council.

2. Comments from the Floor

No comments were raised.

The Chairman closed the meeting at 7:12pm.
